Summarising the Q2'23 performance, **Mr. Farrokh Bhatena, Vice President of Sales and Marketing**, KSB Limited said, "KSB showcased remarkable performance and significant developments during the second quarter of 2023. We aim to maintain a strong performance in the rest of the year too, driven by a healthy Order Intake of 6165 Mio INR in Q2 2023. We remain optimistic about the demand situation as a consistent upward trend is seen in our export business, which will strengthen our position in the global market. Additionally, our Solar division has witnessed significant growth, propelling us toward a future focused on attaining sustainable solutions. We have also successfully implemented warehouse management across all our plants. These efforts will positively impact overall operational efficiency and profitability. As we move forward, KSB remains committed to excellence, sustainability and creating lasting value for all stakeholders."

About KSB Limited

KSB Limited Founded in 1960 in India is a part of KSB SE & Co KGaA., - one of the world's leading suppliers of pumps, valves and systems. Combining innovative technology and excellent service to provide intelligent solutions, the company has been offering innovative and sturdy solutions to cater to the myriad needs of the Indian Customer may it be in power, oil, building services, process engineering, water treatment, water transport, etc. The activities of KSB's in-house research centre focus on the areas of hydraulics, sealing technology, materials, production technology and automation.
