Installation Instructions KSB Citrix Client Software

Software: Citrix Workspace App Publisher: Citrix Systems, Inc.

Source: https://www.citrix.com/downloads

Step 1: Uninstall of Citrix Client Versions

Please uninstall all prior version of the Citrix Client Software or Citrix Workspace App from the Windows Control Panel. This step is not mandatory but strictly recommended.

Step 2: Download the Software

Please download the latest Citrix Workspace App from https://www.citrix.com/downloads/.

Step 3: Installation

The installation routine is multilingual. The language depends on the language of your Windows installation. In this manual, we describe an installation on an English Windows system. The installation in your language will proceed the same way.
